

**ST. FRANCIS XAVIER SCHOOL**  
**AFTER SCHOOL ENRICHMENT**  
**2<sup>ND</sup> TRIMESTER**  
**2017-2018**

St. Francis Xavier School is excited to continue offering our After School Enrichment Program! For Preschool through 8th grade, there is a diverse array of extracurricular activities designed to foster students' creativity, health, and academics!  
**These enrichment programs begin on November 27th and will run through February 15th.**

**Important Dates**

11/4/2017 - Enrichment Enrollment Opens  
Week Of 11/27/17 - Enrichment Classes Begin  
Week Of 2/15/18 - Enrichment Classes End

**Enrollment**

All classes have limited space available and will be filled on a first come, first served basis. Students will not be considered enrolled until all fees are paid in full. St. Francis Xavier School reserves the right to cancel classes with low enrollment.

**Registration Fees**

In addition to the individual course fees, there will be a \$15.00/trimester registration fee applied to your FACTS account.

**Tuition**

Each class is priced individually. The class price is listed below the course description in the catalog.

**Cancellation**

There will be **no refunds for any reason** for enrichment classes after students have been enrolled.

**Pick-Up Policy**

**Please pick your child up at the front gate!**  
Students must be picked up within 5 minutes of the end of their Enrichment class or they will automatically be signed in to After Care.

If you are picking your child up after 4:20 (5 minutes after the end of the class), please go to the front office. After Care is available daily until 6:00pm at an additional hourly cost. For questions about After Care, contact Lexi Good at [Lexi.Good@sfxphx.org](mailto:Lexi.Good@sfxphx.org).

**Class Times**

All classes run from 3:15-4:15. Students must be picked up at the front gate by 4:20 or they will be signed into After Care.

## HOW TO SIGN UP FOR ENRICHMENT PROGRAMS:

**Step One:** Check out all of the fun classes in the course catalog below!

**Step Two:** Visit <http://school.sfxphx.org/enrichment> to complete the registration form and choose your classes! You must complete this process for each child you wish to register.

**Step Three:** Your FACTS account will be charged for the classes selected.

If you have any questions or concerns, please email Lexi Good at [Lexi.Good@sfxphx.org](mailto:Lexi.Good@sfxphx.org)

## **COURSE DESCRIPTIONS**

### **Adventure Abroad**

Students will travel around the world without ever leaving the classroom! They will be introduced to the language, traditions and foods of many different countries. Each week they will receive a stamp in their passport as if they were really traveling. Don't miss out on this opportunity to adventure abroad!

*Cost Per Trimester: \$90*

*Materials Fee: \$30*

### **Art Attack!**

Do you like to draw, paint, sculpt, and create cool crafts? If so, join Ms. Hilary and make a variety of AWESOME creations! We will get inspired by different styles of art and music and take on projects of varying levels of complexity. Don't miss your chance to make something amazing! This class is for all skill levels and will engage both novice and advanced artists.

*Cost Per Trimester: \$90*

*Materials Fee: \$20*

### **Chess Club**

Chess Emporium teaches a fun and exciting introduction to the game of chess. All students are welcome in the chess club, which begins by teaching students how to play the game, chess openings, tactics, and endgames. It does all of this while allowing students to practice with their friends! Studies by major corporations and universities have shown that chess can help students increase their math and verbal skills, as well as their creative thinking abilities. Chess provides helpful insights into mathematics, visualization, analysis, and writing skills.

*Cost Per Trimester: \$139*

### **Full S.T.E.A.M. Ahead!**

Join Ms. Heather as you explore a variety of fun and creative topics from the fields of Science, Technology, Engineering, Art, Math and Making! Each week, the students will delve into a new topic and explore through hands-on learning activities! The lessons promise to engage the student's cognitive, motor and social skills.

*Cost Per Trimester: \$90*

*Materials Fee: \$20*

## **Game Development**

Do you play games and wonder how they are created? Would you like to build your own computer programs? Come learn how at the Coding with Kids Academy! In this fun after-school class, you will be introduced to the core concepts of computer programming, including loops, conditionals and variables. Using the Scratch development environment, you will learn how to create your own programs, such as simple games, animations, and interactive stories. With new projects each session, you will be able to express your creativity and advance as a coder! Our progressive curriculum will allow you to move to the next level after just 1-2 sessions.

*Cost Per Trimester: \$199*

## **Golf Squad**

Golf Squad is for both new and continuing students and provides weekly opportunities for your child to learn social skills required for your student to enjoy golf, the clubs, and golf course vocabulary, etiquette, rules, history, etc. All classes are taught under the instruction of a PGA professional. Golf is a very challenging and fun sport that can lead to great opportunities in the future! Start early and start now! This is a great activity for boys and girls! Course fee includes a hat and a book.

*Cost Per Trimester: \$245*

## **Intro To STEM Using LEGO**

Let your imagination run wild with tens of thousands of LEGO® parts! Build engineerdesigned projects such as: Motorcycles, Castles, Airplanes, and Monorails. Design and build as never before, and explore your craziest ideas in a supportive environment. There are no prerequisites for this course.

*Cost Per Trimester: \$205*

## **JumpBunch Sports & Fitness For Kids**

This fun and lively class gets students moving with a new sport or fitness activity each week. With over 70 different lesson plans, there is something for everyone. Activities include sports such as soccer, football, track & field, handball, and badminton as well as age appropriate fitness activities such as hopscotch, parachute, obstacle courses, and much more! Classes help children develop coordination, motor skills, muscle development, body balance, and agility. Teaching will consist of constant praise and encouragement enabling students to build confidence and interest in physical activity, while promoting healthy fitness and nutrition habits. All classes are taught in a safe, non-competitive environment and available for students in preschool to 1st grade. Please visit [jumpbunch.com](http://jumpbunch.com) for additional information.

*Cost Per Trimester: \$139*

## **Let Them Eat Cake - Beginners!**

This class is for our younger chefs in the making! Students will learn more basic cooking skills as well as fun recipes they can re-create at home for friends and family!

*Cost Per Trimester: \$100*

*Materials Fee: \$20*

### **Let Them Eat Cake – Advanced!**

In the advanced cooking class, students will take on more advanced recipes and learn trickier culinary skills. Students will create their own cookbook with recipes they have learned over the course of the class.

*Cost Per Trimester: \$90*

*Materials Fee: \$20*

### **Little Coders**

Jump start your child's STEAM education with Coding with Kids' Little Coders class! Students will develop their computational thinking skills and build their own creative programs. Our curriculum combines a blend of fun activities - both "on-screen" and "off-screen" - to keep students engaged and excited about coding. This class will give students a strong foundation on coding basics, such as loops and conditionals, that can be built upon in our other classes. Kids will be introduced to these programming fundamentals in a variety of ways appropriate for this age group, from coding puzzles and board games to hands-on programming using online drag-and-drop tools, such as Scratch ([scratch.mit.edu](http://scratch.mit.edu)).

**Prerequisites:** None. Class for early readers, ages 5-7.

*Cost Per Trimester: \$199*

### **Math Team**

Math Team will resume in January!

Math Team will go back to its old format and will meet weekly on Tuesdays. Stay tuned for more information in coming weeks!

### **Multi-Sports With BEST Sports!**

BEST Sports industry-leading 3-Sport program brings you multiple weeks of 3 fantastic sports: Soccer, Baseball/Softball, & Track N' Field. We will teach your player how to kick and control a soccer ball, how to hit, catch, throw and run the bases, and shoot and run, jump and throw a discus. Our goal and focus is to maintain an energetic & highly active program that will teach, encourage and advance your young players regardless of their skill level. No Equipment is needed. FREE T-SHIRT INCLUDED!

*Cost Per Trimester: \$130*

### **Superhero Training by JB Sports!**

This class is all about training to be your favorite superhero! To be a superhero means having strength, agility, balance, and speed. We focus on learning special superhero training skills through fun, games, and activities such as "jumping over hot lava", "dodging fireballs", "lightsaber training", "scooter flying", "ghostbuster tag", and so much more!

*Cost Per Trimester: \$139*

## **YOGA**

Our Yoga class is a total body and mind workout! The class will revitalize the body, relax the mind and reduces stress. A consistent flow of smooth poses and stretches that help one focus on flexibility, balance, coordination, core strength, cardiovascular fitness and overall well-being. Yoga is the perfect way to end the school day and suitable for all levels.

*Cost Per Trimester: \$185*
