

After Care FAQ

Is there After Care the first week of school?

Yes! We are excited to have After Care start back on the first day of school. Please remember to send your child with a lunch. We will have Lunchables for students who forget to pack lunch.

Do I need to register for the first week of After Care?

No, registration will open on 8/9/17 for child care beginning on 8/14/17. For the first week, while everyone gets back into the swing of things, we will not require early registration.

What does After Care cost?

The new rates are \$9.00 per hour for the first child and \$6.50 per hour for each additional child. If your child is not registered to attend After Care that day, the fee increases to \$12.00 per hour for the first child, and \$9.50 per hour for each additional child. The annual one-time registration fee will be \$35.00 per child (this will be billed upon your child's first visit to After Care).

We have some scholarship funds available upon request. Please contact Lexi.Good@sfxphx.org for more information.

How will I be billed?

You are only billed for time used in After Care. The first hour of care is billed as a full hour with all additional time used billed by the half hour.

Charges will be posted on your FACTS account 7-10 days after each billing period ends (the billing period is 1 month long).

How do I register each week?

Please click the link on the After Care page on the school website that says “After Care Registration.” Complete the short form and your child will be registered for After Care that week.

Can I register for a full month or more at one time?

Yes, click the “After Care Registration” link on the After Care page and it will take you to the registration form. There will be a place to indicate that you would like to register for the month (or longer) at that time.

What happens if I register for a certain day and my child does not end up going to After Care?

You will not be charged if your child does not end up attending child care that day.

Where do I pick up my child?

After Care pick up is in the front office. An After Care staff member will be stationed at the front desk and will have your child sent to the office when you arrive.

Can I call ahead and have my child waiting in the front office?

Absolutely! If you would like your child to be waiting for you in the office when you arrive, feel free to call or text the After Care phone at 602-390-4617 and let them know who to send up and when you will arrive.

What will my child do in After Care?

Students will work to complete their homework, eat a healthy snack, have fun and socialize with friends, and have the opportunity to do other crafts and activities. We limit non-academic screen time to half-days and rainy days only. Students have access to all necessary

materials to be successful in their school work and will be engaged in fun activities and games when they have completed their homework.

Who do I contact if I have any questions or concerns?

Please contact Lexi Good at Lexi.Good@sfxphx.org or call her at 602-266-5364 x4560.
