

MATHNASIUM @ ST. FRANCIS

FAMILY INFORMATION - ON-CAMPUS

Mathnasium - What We Do

Comprehensive Assessments

Identify student level of understanding to develop their individual learning plan

Build Strong Math Foundations

Individual learning plans help meet students where they are at, learning at their pace

Schoolwork Help

Time is dedicated each session to help students understand their current work

Make Math Fun

We make math fun by providing games, activities, and prizes to end every session

Instruction

Target foundational knowledge gaps

Strengthen mental math skills

Knowledgeable instructors to support students through their math journey

Sessions Begin August 12th

2 sessions per week, 1-hour each session

3:15-4:15pm on Monday and Wednesday

30 minutes on Learning Plan, 30 minutes on schoolwork OR math class skills

Communication

Daily session summary emails

Monthly progress reports

Monthly check-in calls/texts

Collaboration with St. Francis teachers

And more!
