

**Second Grade**  
**Recommended Summer Reading**

1. Read two non-fiction books. Write four facts from each book and draw a picture to go with the facts that you have written.

Reading list for non-fiction books:

From Seed to Plant by Gail Gibbons (or any book by Gail Gibbons)

Charlie Needs a Cloak by Tomie de Paola

Johnny Appleseed by Stephen Kellogg

**or**

Any non-fiction book by Colleen Sexton

2. Read two fiction books by Tomie de Paola. Write a summary (sample summary below) and draw a picture to go with the summary.

Reading list for fiction books:

Strega Nona by Tomie de Paola

Another other book by Tomie de Paola

Sample summary:

- \*Who is in the story (characters)
- \*Where does the story take place (setting)
- \*What is the problem in the story
- \*What is the solution to the problem
- \*Moral or lesson of the story

**Second Grade**  
**Recommended Summer Math**

1. Practice math addition and subtraction facts up to 20.
2. Math games and card games are great ways to review math skills. Try to play a math-related game together every week.

Checkers

Chess

Connect Four

Mancala

Uno

Yahtzee Jr.

Battleship

Money Bags

Race to Planet X

Rooster Race

War (card game)

Concentration (card game)
