50 DAY SUMMER MATH CHALLENGE!

Date: _____

Today's numbers are _____ and _____
Find the sum. _____
Find the difference. _____

Round both to the thousands place. _____
Compare using $<$, $>$, $=$. _____

Write the sum in word form. _____
Write the sum in expanded form. _____

Multiply the first number by _____. _____
Divide the second number by _____. _____

Skip count challenge! Count out loud to a partner or write it on paper and quiz yourself!
Monday- by 3's and 4's
Tuesday- by 6's and 7's
Wednesday- by 8's and 9's
Thursday- by 12's
Friday- by choice!

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
3	4	5	6	7	8
9	10	11	12	13	14
15	16	17	18	19	20
21	22	23	24	25	26
27	28	29	30		

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1	2	3	4	5	6
7	8	9	10	11	12
13	14	15	16	17	18
19	20	21	22	23	24
25	26	27	28	29	30

THANK YOU!

Every year, I want to send summer work home with my students, but I'm never sure if they will actually do it. It isn't worth spending the time and resources making copies if they won't even be used. This year, I have found a solution!

This resource requires 1 copy from the teacher. Print pages 4 and 5 two sided. Students will need a notebook or scrap paper for each day, but I leave that as the parents' responsibility. You could send notebook paper home if you want to.

I would model how to use the resource so students know what to do. They will look at the calendar to find that day's numbers. Then, they will add, subtract, round, etc. The purpose of this is to preserve fluency over the summer, so I only included basic operations.

I hope you find this resource helpful! Please e-mail me if you notice any mistakes. If you have an idea for a product you would like to see, feel free to let me know! If I use your idea then I will send you a free copy!
