Rock of Ages 2021
Auction Frequently Asked Questions

When and where is the auction?

Our auction will be held on Saturday evening, October 16th on campus at SFX. The event, Rock of Ages, will have dinner, drinks, dancing and both a virtual and live auction.

How can I participate?

We are always ready for volunteers to help with auction! We would love for you to donate, become a sponsor, or volunteer to help with the event. Donation and sponsorship forms can be found in the front office. If you are interested in helping make our event ROCK, please contact Cecelia Herro (ceceliaherro@gmail.com).

What type of donations are we looking for?

We welcome any donations. However, we have a specific set of experiences we are looking for. If you have any travel connections (vacation home, airline tickets, hotel perks), particularly in the Nashville area, we would be so grateful.

Why become an event sponsor?

Your sponsorship would directly benefit our school, most notably, our new Innovation Lab, where the students will work in robotics, circuitry and coding. All of our sponsors will be acknowledged on social media, in event marketing, and in SFX newsletters.

What are Library Sales?

Library sales happen before and after school during the two weeks prior to auction. You will be able to sign up for class parties (PreK–3rd grades) and school experiences (private dinners, cooking classes, sports tournaments and more). These events are geared toward both adults and children. Sign up is on a first-come, first-serve basis and our list of options will be announced in the beginning of October. You will also be able to buy raffle tickets for fun auction items, as well as pick up your child's professional photo. (More information in the SFX newsletter on that as we get closer).

How and when do I buy tickets?

A link to purchase tickets will be sent with the SFX weekly newsletter in early September. Make sure to take advantage of early-bird pricing! Ticket prices will increase as we get closer to the event.
