

Bourbon Tasting Dinner Party

Saturday, February 10th

Hosted at the home of Matt Smith and Andrea Tazioli

Adult Experience

If you love bourbon (or love someone who does) this is the place to be. Join five other very lucky couples for an amazing dinner that will pair perfectly with Bourbon. John Christy from Christie Whiskey Company will provide us with a brief history of bourbon, lead us in a tasting of the evenings selections and answer your bourbon questions. The evening will begin with an introductory overview from John and our first bourbon tasting of the evening. From there we will enjoy a new bourbon with each dinner course along with tasting notes and comments from John.
