

COVID-19

Anyone who tests positive for COVID-19 cannot come on campus, students cannot attend school. Positive persons must stay home and quarantine for a minimum of 10 days and must be symptom-free without medication for the 24 hour period before returning to campus. **If you are someone in your household, is waiting on Covid test results, please stay home until you receive the results.** If the test is positive please notify the school nurse and your healthcare provider for further instructions.

Please check with the school nurse with any questions. There will be no synchronous virtual learning at St. Francis Xavier. Students who are sick or quarantined will coordinate with teachers for learning materials and will be allowed the number of days absent to make up work. For example, if you are out 5 school days, you will have 5 school days to make up any assignments/assessments upon returning to school.
