

Downtown Progressive Dinner

Saturday, January 6th, 6pm-10pm

Hosted by Crograns, Vynaleks and Hootens

Adults experience

Squeeze in one more night out before the school starts! On Saturday, January 6th, join three families in the St Francis Community for a progressive dinner party in the Encanto-Palmcroft Historic Neighborhood – for a chill All-American adults-only feast. You'll start at the home of Dale and Cindy Crogan where you'll be tempted with appetizers like wings, deviled eggs, and fried pickles. Walk six homes down to the home of Brad and Amy Vynalek for a BBQ of brats and burgers with plenty of salad fixins'. Finish just around the corner at the home of Matt and Katie Hooten. While their son Noah is too young for SFX, Matt is the varsity basketball coach at Brophy and they love a good party. You'll finish the night with pie and ice cream. All food and wine and beer provided. We ask that you Uber or taxi there and home. Party Date: Saturday, January 6th from 6pm – 10pm. Specific addresses provided at a later date.
