Parent-Girl Experience (4th – 6th grade)

Mrs Suzanne Luna is our 3rd grade aid and has been a librarian for years. She has a special talent for facilitating book clubs with kids and has generously agreed to lead a group of parents and their daughters in the exploration of the book, “A Long Walk to Water.” This book is an age-appropriate short novel based on the true story of Salva Dut, a Sudanese Lost Boy. It is rated 5-stars on amazon and described as “a fast read, with some difficult but important lessons that explore a different worldview and life experience. Engaging for both kids and adults.” Sign up, read up and then join this one-time book club as we dive into this book. Parent/child book clubs deliver new insights, they level the playing field - each participant's perspective is equal. Get to know your child in a new way as they share their thoughts and opinions on interesting topics.
