

Aug 4, 2022

Dear parents and guardians,

Welcome back to a new school year! The Hungry Wolf Café team is looking forward to serving your children nutritious and great-tasting food. Our mission: *Care of the whole person includes access to a nutritious, fresh, affordable, and tasty lunch which impacts our cognitive and physical development, and as Kids for Others we prioritize the protection of "our common home" and God's creation.*

Click here for the August menu.

The Hungry Wolf Café is returning with all your favorites, but a few things have changed.

- You can now buy lunches for the whole year or semester at a reduced rate. Once the child/childrens profile(s) are set up please choose meals per day. You may also purchase for the year or Semester. Please add the amount for each child that corresponds to the selections below: Note: You will see the per meal price vs the reduced until we get the system fixed.
  - All year ~ 141 meals @ \$5.50 = \$775.50
  - Semester 1 ~ 65 meals @ \$5.75 = \$373.75
  - Semester 2 ~ 76 meals @ \$5.75 = \$437
  - Families who utilize this option do not get credited for days missed from school. Students may choose the hot lunch or the salad bar. Families who use this DO NOT

have to log in to Meal Manage to order, therefore no missed deadlines! If you have any questions please contact the front office.

- The Forgotten Lunch Charge has been increased to \$7.
- The pre-order cost remains \$6.
- The order deadline has been extended to Thursdays at noon for the following week.
- All students who purchase a hot lunch may also receive a side salad from the salad bar. The salad bar is only for students who have purchased lunch that day.
- We are no longer using Boonli as our ordering system. Please set up an account with Meal Manage...You will receive an email from Meal Manage to set up an account. All families are required to have an account..
- We are looking for a few more lunch volunteers on Tuesdays and Thursdays. We also need subs for all days. Volunteers need a current food handler's card from [any of these accepted sites](#) and to be current on their [safe environment training](#). Please email Anne Sanford to sign up.
- Please complete your health history form with the nurses. This information is used in the kitchen to identify and care for our students with allergies.
- If your son or daughter has an allergy, we are able to accommodate their needs. Our kitchen is completely nut free, and we are able to safely feed students with celiac, dairy allergies, and other allergies. Please indicate this information in Meal Manage and the health history form.

Let's make this a great year filled with awesome fruits, veggies,  
and some tasty recipes from our Hungry Wolf Café!
