Scrip should be treated as cash. The risk of loss and title for gift certificates are passed to the purchaser at point of sale or upon delivery to the carrier, whichever is applicable. Many Scrip products come with expiration dates that are either clearly marked on the Scrip or may be determined by calling the "800" number listed on the card. Buyer is responsible for tracking these dates. Expired Scrip cannot be replaced by the Scrip office. Percentages listed below are averages and can change regularly. I have read this form, verified and received the Scrip listed below.
