

**Second Grade**  
**Summer Reading Requirements**

1. Read two non-fiction books. Write four facts from each book and draw a picture to go with the facts that you have written.

Reading list for non-fiction books:

From Seed to Plant by Gail Gibbons (or any book by Gail Gibbons)

Charlie Needs a Cloak by Tomie de Paola

Johnny Appleseed by Stephen Kellogg

**or**

Any non-fiction book by Colleen Sexton

2. Read two fiction books by Tomie de Paola. Write a summary (sample summary below) and draw a picture to go with the summary.

Reading list for fiction books:

Strega Nona by Tomie de Paola

One other book by Tomie de Paola

Sample summary:

- \*Who is in the story (characters)
- \*Where does the story take place (setting)
- \*What is the problem in the story
- \*What is the solution to the problem
- \*Moral or lesson of the story

**Second Grade**  
**Summer Math Requirements**

Students will be given a math menu board of suggested math activities that they may choose to complete during the months of June and July. (Please click “Math Menu and Games” below for a copy of the math menu board and a copy of suggested math games.)

Students will also be given a list of math based games that they can play with family or friends to assist in the retention of math skills.
