Morning Camp Classes:

If your child is entering Preschool... "Practically Perfect Preschool Readiness"

A camp designed for incoming and existing preschool students focusing on many of the skills covered during the school year. Students will enjoy theme-based weekly units, enriching math skills, phonics, science, arts, and crafts.

If your child is entering Kindergarten... "Get Ready for Kindergarten!"

Students will get a sneak peek at the upcoming year! They will explore the Kindergarten world of letters and sounds, rhymes, the alphabet, counting, and more! Get used to the kindergarten routine with a class full of fun activities, crafts, and social exploration.

If your child is entering First Grade... "FUN-Filled Transition to First Grade"

Welcome to three weeks of fun-filled learning! Each week we will introduce an exciting new theme that will integrate math, reading, and writing skills using a hands-on approach. This class will strengthen what your student has already learned in kindergarten which will make for a smooth transition into first grade!

If your child is entering Second Grade... "Super Second Grade Summer!"

This class provides students with the opportunity to get to know more about second grade while also reviewing reading and math skills learned in first grade. Each week will incorporate language arts, math, and craft activities!

If your child is entering Third Grade... "Terrific in Third!"

Do you want to have your child ready for third grade? Students will participate in fun activities, math, reading, and writing. Your child will have a great time and be ready to start school in August! This class will work to fulfill the summer requirement*.

If your child is entering Fourth Grade... "Fabulous Fourth Grade Fun!"

Beat the summer slide with a class centered on building math and literacy skills. Thematic literature and mental math strategies take center stage as students engage physically and creatively in their learning. This class will work to fulfill the summer requirement*.

If your child is entering Fifth Grade...

Start school in the fall feeling confident, organized, and ready to go. This class will focus on language arts and math, along with study skills, organizational skills, and fun activities. This class will work to fulfill the summer requirement*.

If your child is entering Sixth Grade through Eighth Grade...

Avoid the summer slump all around! In addition to required summer work and core academic enrichment, we will also spend time working on study skills, creative writing, and test-taking skills. This class will help students be prepared for the upper grades at St. Francis! This class will work to fulfill the summer requirement*.

****3-8 classes are designed to allow students the time and guidance to fulfill the summer requirements. However, students who have not fully completed the assignments will need to finish the remaining work.***
