

Tamale-Making Experience with Sister Christa

Saturday, January 20th, 11am – 3pm

Adult Experience

Hosted in the SFX Gym with Sister Christa

Join us for an afternoon of cooking, laughter, fellowship and great food! Sister Christa Parra has agreed to help us make tamales as a group! We will start our fiesta with pan dulce and café. Then, learn the art of working with chuck roast, corn husks (hojas), masa (ground corn dough), red chili (Baca) to make tamales. After our work is done, we will share the fruits of our labor with a tasting! After we make about 290 tamales as a group, we will have a short prayer and eat a sample our delicious tamales with beans, rice, chips, and salsa. You will walk away with two dozen tamales to enjoy with your own family plus the recipes and knowledge of how to make this exquisite Southwestern dish on your own!

\$30 per adult

12 tickets available
