## News From Ms. Cavnar

Dearest One,

A close Jesuit friend always starts his notes to me with this endearing greeting, and I instantly feel his love. I hope you feel my love as well as I ready to transition my role at SFX.

So many memories are flying into my consciousness these days of the treasured times we have shared. Thank you for allowing me to share in your families and for entrusting your children to our care. I can't wait to see what further transpires for our kids, and what a gift to have seen them grow so much over the last ten years.

Truly, we have cried together, laughed together, worked side by side and celebrated a lot! I am often deeply moved by the depth of our common experiences. So many people remark upon how grateful they are for our school community, and it's easy to see why knowing who you are.

God's presence is constant and vibrant in your good will, generous disposition of heart, and shared faith. That is our true treasure and will always be at the center of SFX.

Please avail yourselves to reach out as needs arise to the terrific Transition Team individuals that are ready to help in any way that they can. [Click here for Transition Team](#). Our staff is next to none, and graciously keep growing in ways to better serve.

I will always hold you at the center of my heart,  
Kim Cavnar
