What is the difference between active and passive?

As school comes to an end, we're preparing our pantry for summer. Please consider us as you do your weekend grocery shopping, as the pantry gets quite depleted during that time. Also, congrats to the many Angel Family boys and girls that were admitted to Xavier and Brophy! The boys specifically are in need of nice clothing for the dress code (dress shirts, dress shorts or pants, belts, ties, etc). If you have any such items in your home that you are planning to eliminate, we will happily take the donation. If you are looking for a graduation gift, consider purchasing a Sunset Art Block or cards. They are now sold in the Marion Shop. These items were made by the Sunset Angels, and 100% of the proceeds go to the Angel Fund. If you didn't know, the Sunset Angels was created by one of our special SFX families after the tragic loss of their son, Timmy Frakes. As a part of their forever journey in healing from this loss, they were inspired by God's presence in their life to develop this organization as an extension of the Angel Fund, to support other families who are challenged or suffering. These blocks represent what our community stands for - A Kid for Others...A Family for Others. If you'd like a block but can't make it to the Marion Shop, you can email Khardwig@gmail.com or you can order online at www.sunsetangels.org. As always, thank you for your support!
