

Dear St. Francis Xavier Community,

KIDS: Our Greatest Showmen...their wonder, their talents, their ideas, their dreams and their infinite possibilities!

Each year we brim with immense excitement watching our children walk through the doors of the building that help shape their dreams. We have the daily privilege of witnessing first hand our children's joy as they explore academics, stretch their imaginations in the arts, practice their sportsmanship and expand their spiritual growth. Our auction is a tradition cherished by St. Francis. It provides an opportunity to expand the commitment to the Student Learning Expectations guiding the St. Francis education: that the children be Religious, Loving, Intellectually Competent, Open To Growth and Committed To Doing Justice. At its core, St. Francis is a community committed to its families and in particular the students. The school holds the heart of St. Francis – its commitment to our children, all that they are and all that they will be, in the pursuit of what it means to be kids for others.

This year for our auction, which will be held on Friday, October 4, we are celebrating *The Greatest Showman - A Million Dreams*. With the foundation of a St. Francis education laying the groundwork of their moral, spiritual, creative and intellectual education, our children have the support to reach for new heights, discover new talents and stretch their skills beyond what their imaginations can conceive. Our children have a million dreams and with that infinite possibilities.

We look forward to coming together to celebrate *The Greatest Showman - A Million Dreams*. The momentum is building and we ask you to please consider supporting St. Francis. You will find that we have many opportunities to support our school through auction donations, sponsorship opportunities, or the gift of time.

Sponsorship & Auction Donations

Your generosity in sponsoring a portion of our event directly benefits our school. Those who commit to a sponsorship level will be acknowledged on our social media pages, pre-event marketing and recognition at the auction itself.

Please consider a donation. This is a perfect way to contribute your time and talents to the success of the auction. Be creative! In previous years, generous donors have offered the chance for St. Francis families to sip wine in amazing vineyards, dine with our Jesuits, take home a vintage car, vacation in dream homes around the world or share in a special once-in-a-lifetime moment with a favorite teacher. We are looking for new and exciting opportunities to share with our community.

Donations and sponsorships can easily be made with the Sponsorship or Donation forms and submitted either to the Front Desk or to sfxauction2019@gmail.com.

Finally, we would like to acknowledge our amazing community who always works with such dedication, talent and enthusiasm to ensure our event will thrive in success and community spirit. Thank you for supporting and please feel free to contact us directly with any questions at Kelly Gannon (gannonkelly@gmail.com) or Emily Palumbo (emily.a.palumbo@gmail.com).

All Our Best,

Kelly & J. Jay Gannon
